#### EMPLOYEES AT THIS TERMINAL MAKE A FINE SHOWING.

Up to ten o'clock yesterday forenoon the actual subscriptions to the third Liberty loan by Union Pacific employees at North Platte totaled \$78,050, or about an average of \$100 for each employee. Men in the train service subscribed for \$33,950 of the bonds, employees of the shops took \$19,700, the store department \$1,400, the trackmen \$2,200 and the bridge and building department \$800. At the time these figures were obtained ninety-three and one-fourth per cent of all shopmen had subscribed, ninety-one and one-half per cent of all the engineers, one hundred per cent of the store department and the bridge and building employees stood at 100 per cent.

If all the employees of the Union Pacific system do as well as have the North Platte employees, the total amount subscribed on the system will reach \$2,800,000, or \$800,000 more than the figure set by General Manager Jeffers.

**Organize Red Cross Auxiliary.**  
Sixty residents of School District No. 44 and adjacent section met at the school house Saturday evening and made the temporary organization necessary for the permanent organization of an auxiliary to the Red Cross. W. W. Hunter was elected temporary chairman and J. A. Markee temporary secretary. Forty-seven signed the petition asking that the right to organize an auxiliary be granted by the Lincoln County Red Cross Chapter.

A meeting will be held at the school house on the evening of May 8th for the purpose of electing a permanent organization. At this time there will be held in connection an ice cream social, the proceeds of which will go to the Red Cross.

**To Organize Cavalry Division.**  
In connection with the Home Guards to be organized at the Franklin auditorium Thursday evening, it has been suggested that the farmers in the section tributary to North Platte form a cavalry division. A dozen or more men to whom this has been suggested have taken up the matter in a most enthusiastic manner and meetings will be held in respective sections for the forming of such a division.

**Special B. of L. E. Meeting.**

**McPherson Auxiliary Does Fine.**  
The Ft. McPherson auxiliary has just sent in another draft for \$90.75 for the general fund of the Lincoln County Red Cross Chapter. Only a short time ago this auxiliary was organized and at that time they turned in to the treasurer of this Chapter \$171. This shows what the country precincts are doing for the Red Cross. Thanks to Ft. McPherson Auxiliary.

**Very Few are Hurt.**  
In reading the list containing the names of those who have subscribed for Liberty bonds in North Platte, and knowing the earning capacity or wealth of each subscriber, we can say that not two per cent of those who purchased bonds have inconvenienced themselves financially in so doing. In fact in the 1200 or more names published, fully fifty per cent could have doubled their subscription and still not have suffered. What is true in town will hold good in the county. The people of Lincoln county will be well able to go over the top in another \$300,000 campaign within the next ninety days if such is needed. Not until our subscriptions really pinch and hurt will our patriotism be fully developed, and then we will have reached that stage where we will want to be hurt some more—then and not till then will we stay-at-homes be real patriots.

Starting with tonight the Crystal will show the Pathe program on Tuesdays. The offering tonight will be Mollie King in "The on the Squar Girl" a sensational, splendidly acted directed play that is away above the average in quality. And next week—now Haten, kiddies—Baby Marie Osborne will be here in one of her greatest releases, "Tears and Smiles."

For Rent—10 room house partly furnished. Phone 243.

**BERT BARBER.**

The farmer who is disturbed at the inconsistency of his neighbors, gathering of an evening to discuss food conservation, increased production and general patriotism, and finishing by engorging themselves with a thrasher's meal which keeps them awake the rest of the night, should put hall screen over his own windows unless he has tested his corn this year, and knows it will grow. He who gets only half a stand because of guess work will be guilty of wasting more food than all the midnight gluts in this county put together.

The supply of good seed corn is gradually diminishing; however, if farmers will make their wants known at this office we hope to be able to locate enough tested for all.

"The Conqueror," representing Wm. Farnum as the portrayer of General Sam Houston in this historic masterpiece will be the attraction at the Keith Wednesday and Thursday. Houston's life was full of diversity and color and this has been used to advantage. His friendship with the Indians is well presented by the large number of redmen in several of the scenes.
